

Woodlands Cottage

This superbly appointed stone cottage with its own private garden, sun terrace and hot tub is set in the grounds of Darwin Forest.

It is the perfect place to relax and enjoy a get together or holiday with the people you love. Here you can lounge around in the garden, fire up the barbeque, or sip a cool drink in the evening while relaxing with friends. Enjoy the luxury of your own space with the added advantage of all the facilities of the park right outside your private haven.

The spacious accommodation boasts two king size bedrooms, one with its own TV, two twin bedrooms and two luxury bathrooms, both with free standing showers.

The living accommodation has a fully equipped, spacious kitchen with fridge / freezer, microwave oven and dishwasher – everything you need should you want to prepare that special family meal. The large dining table comfortably seats eight and the living room has a flat screen TV with freeview and DVD player for when you want to relax and enjoy a night in with family or friends.

The Woodlands Cottage is kept pet free.
